The Objectives of The Cranleigh Civic Society

- 1 Campaign to raise awareness of any threats to the Parish of Cranleigh in particular from unsustainable development and to oppose encroachment into our countryside.
- 2 To encourage the preservation, development and improvement of the features of Cranleigh which contribute positively to the amenity of those who live and work in the community.
- 3 To pursue these ends by means of meetings, campaigns, exhibitions, lectures, publications, promotion of schemes etc. and by co-operation with other local and national organisations and individuals.
